HORSE- AND COW-FEED. SEE HERE! SEE HERE!

FINNEY BROTHERS

HORSE-FEED AND COW-FEED.

These FEEDS are net "Condition Powders" or anything of that sore, but the book CORN, OATE, and the like, crusted in our miles and prepared after special formulas of our cwn.

Nothing equals them for putting and keeping Horses in good condition and for increasing the richness and quantity of milk in cows.

Moreover, they are the cheapest FEEDS on the market. Besuits considered, they cost about half of what any other feed does.

We ship goods all over the country. In the city we deliver free. Orders and correspondence invited.

FINNEY BROTHERS.

HAY, GRAIN, AND MILL-FEED. HORSE and COW FEED made from choice crushed grain, MILL-FEED and LINEED MEAL mixed in proportion to secure the best results for stock. Also, MEAL, GRAIN, HAY, STRAW, and all kinds of MILL-FEED at bottom prices.
